Dear Mr. Potter:

The Board of Supervisors of Elections for Montgomery County has completed the petition signature verification process for the charter amendment question submitted by The Binding Arbitration for Career Fire Fighters Committee.

You are herein advised that the petition contained the requisite 10,000 valid signatures necessary to place this question on the 1994 general election ballot. In accordance with the provisions of Article 33, Section 23-1(a)(1), this question was certified to this office by the County Council pending final verification.

Please note Article X1-A, Section 5, State Constitution mandates that charter amendment questions be advertised in at least one newspaper published in this County once a week for five consecutive weeks prior to the November 8, 1994 general election.

By copy of this letter, I am also notifying the Council President, as well as other parties involved of the findings of this Board.

Please feel free to contact me should you have any questions.

Sincerely,

Carol S. Evans  
Elections Administrator
